For those using the parking area

福岡 300

お 12-34

Please confirm the four digits beforehand.

Our parking areas use a ticketless system. With this system, four digits of your car license plate are scanned, and you will enter the digits at the time of payment. This way, you can pay and leave the parking area without a ticket. Please visit our website for more details about the ticketless system.

GRAND DINING

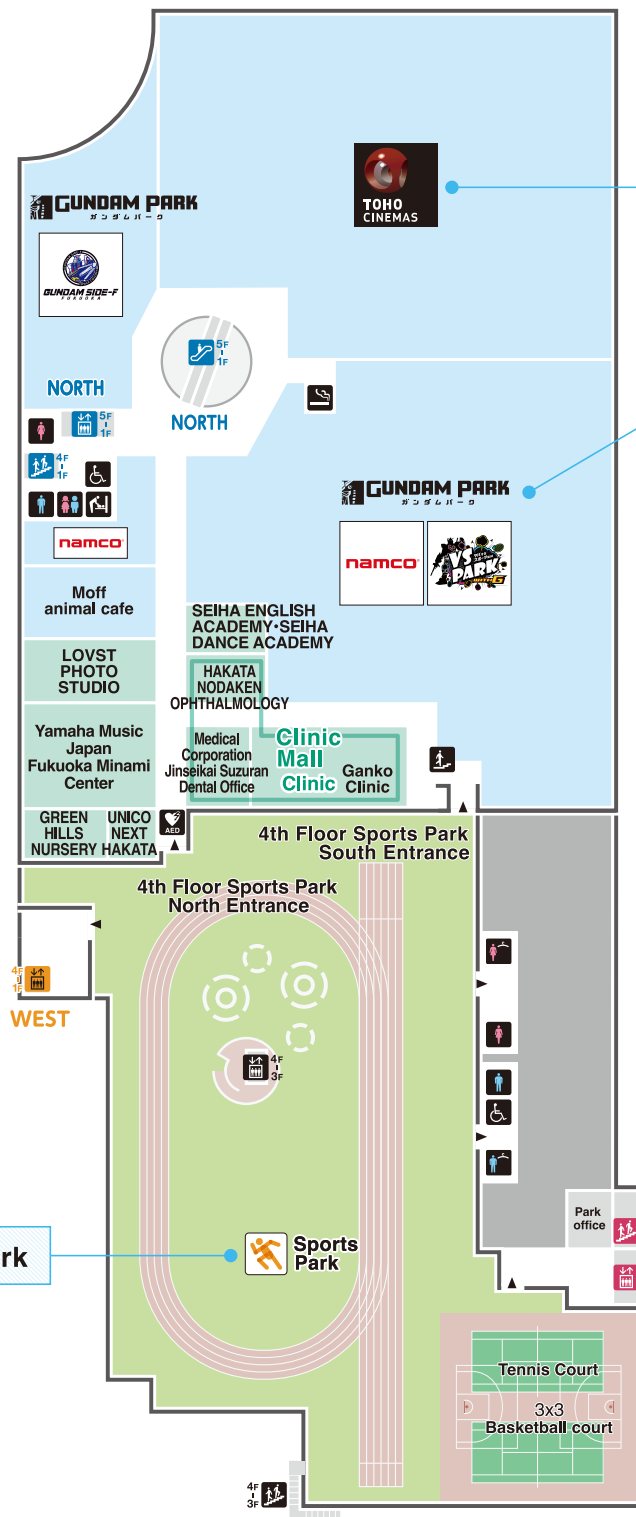

One of the largest food zones in the Kyushu Area, including 21 food stalls in the food court with 1,450 seats and 10 restaurants.

Along with the food court and the restaurant zone, you can also enjoy popular stores first opened in Kyushu or originated in Fukuoka.

In the Kids Park, children can enjoy themselves, and in Agri Park, you can enjoy farming activities. You can cook the harvested crops in the Farm Studio.
