Lufa Plaza is for neighborhood residents to walk through when going to the train station. Today, the plaza was renovated with artificial grass to transform the area into a gathering place for people. Various new events will be held at Lufa Plaza for people to relax while sitting down and lying on the artificial grass. The project is developing that aims to take Lazona to another level to make it a true entertainment destination.

3F

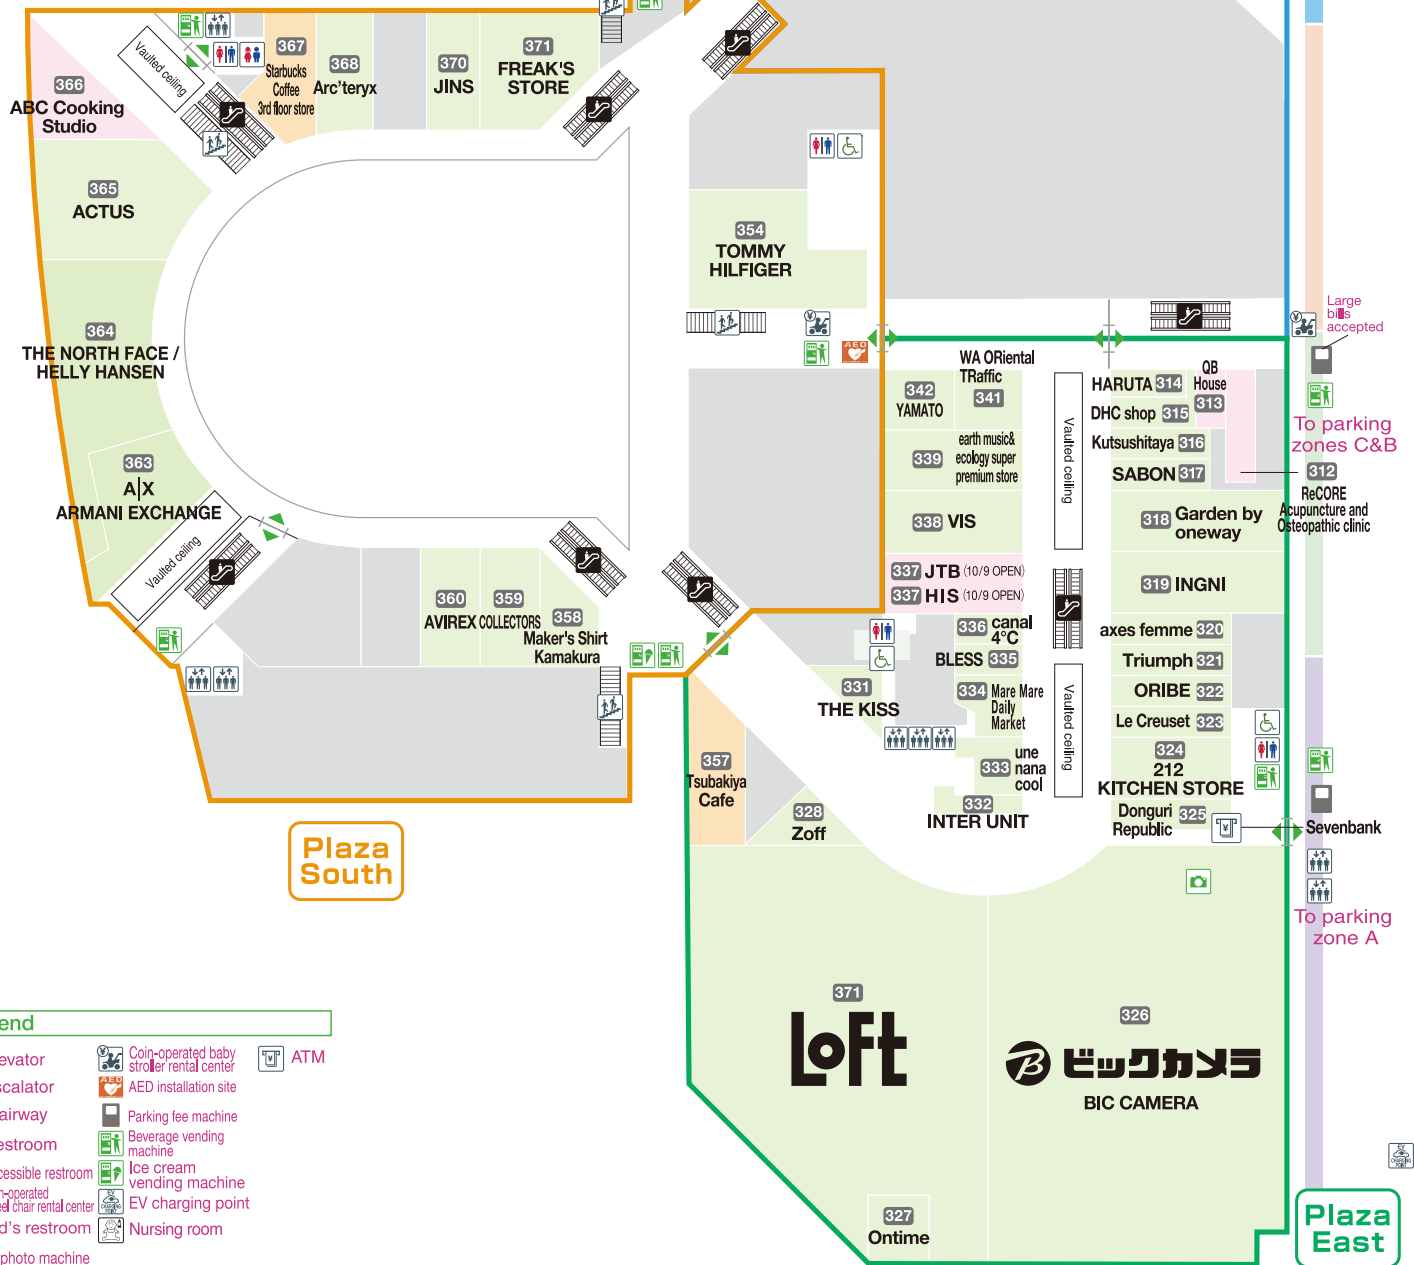

The 3rd floor includes a variety of shops specializing in fashion, interior & general merchandise, baby or character goods. There are also two coffee shops on the same floor.

Changing diapers

The restrooms on each floor have diaper changing stations.

*For details of the locations, please contact the General Information.

*Please use individual nursing rooms (mamaro) located on the fifth floor.

4F

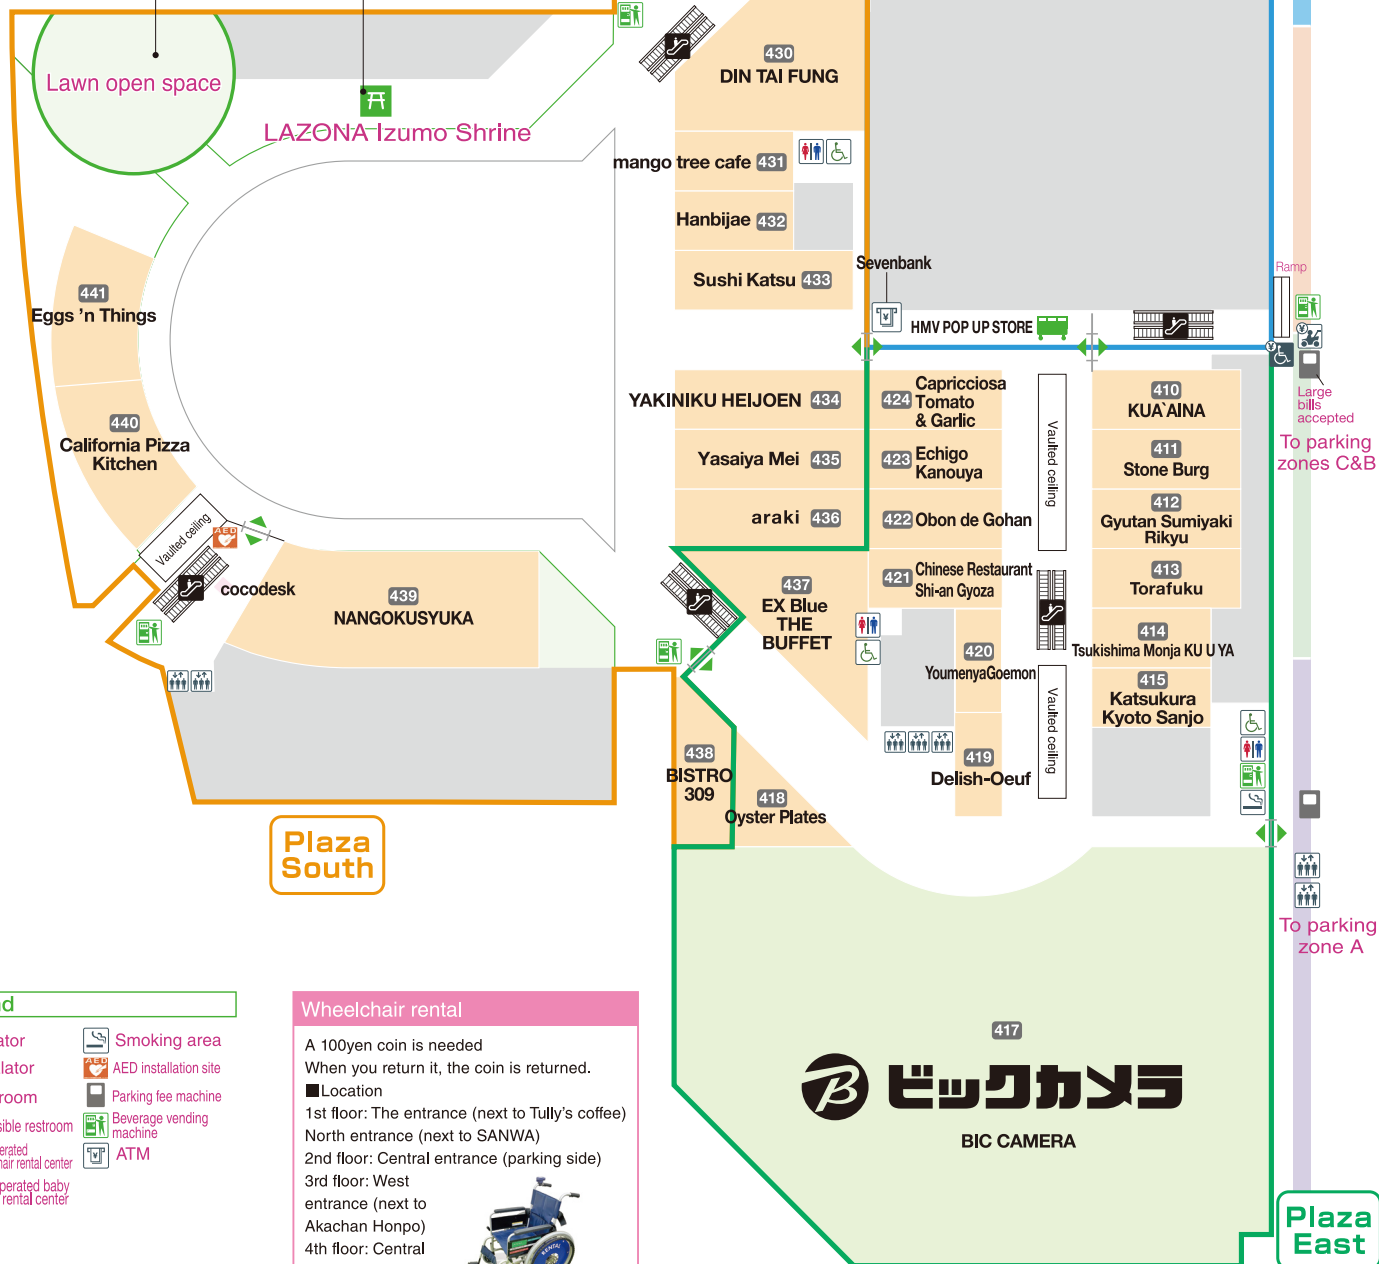

The 4th floor has a large concentration of restaurants. You can try ample variations of foods that include ethnic and pasta dishes as well as Japanese, Western and Chinese. There is also a Lawn open space in the open-air courtyard, and amusement arcades.

5F

The 5th floor includes a gym, a cinema complex, play ground for children, and other facilities.

Plaza West

5F

Indoor space offering playgrounds according to child development.

LaZOOON Park has three zones where children of any age can play. Hai-Hai park, a play area for children age 0-18 months, is designed for parents to keep an eye on children in an area covered in cushions to ensure safety and security. Yomi-Yomi Park is for children younger than junior high school age and parents to communicate through picture-books reading. Kaki-Kaki Park is also designed for children younger than junior high school age, where children and parents can play together by drawing pictures on a large blackboard on the wall.

5F

Fun times for children, happy times for adults.

LaZOOON Terrace has a dining area on the terrace where parents can rest and dine while the children play. It is covered with artificial grass for children to run around safely. From the tree-house playground equipment and the wall art with hidden animals to event space that holds seasonal events, LaZOOON Terrace is filled with fun ideas to entertain children.
